

## She Smiles at Her Future

Strength and dignity are her clothing, And she smiles at the future.

**Proverbs 31:25** (NAS)

Every valley shall be raised up, every mountain and hill made low;  
the rough ground shall become level, the rugged places a plain.

**Isaiah 40:4** (NIV)

## Prayer Prompt

Lord, you are the beginning and the end, the Alpha and Omega. You have rescued me time and time again, so therefore, I KNOW that I can smile at my future.

God, when I find myself in a valley, I always know you are there because you lift me up. You lead me beside still waters and you restore my soul.

God, when I look up and see that my path is crooked, I always know that you are there because my path becomes straight once again.

God, when it's too dark to see and I feel pressed on both sides, I always know that you're there because you light my path so I can see again.

God, when I feel all alone and discouraged, I know that you are there because I am filled with peace, joy and love.

Oh, yes Father, I can smile at my future indeed. I can smile because you see me, you provide for me, and you love me.
